

8-Ball Tri-Annual Rules & Notes

1. 8-Ball World Qualifier (May 27th - May 31st)
2. Best of the Rest (May 23rd)
3. This is a single elimination format.
4. 2-3's still are allowed 2 timeouts per game.
5. When your match is complete it is to be turned into the league office member.
6. Ineligible players **may not** participate in any fashion. (ex. Playing, coaching, put-ups, etc.)
7. Time guidelines:
 - 20 seconds for an average shot
 - 45 seconds for a difficult shot
 - Time Outs: 1 minute
 - Declaring Players: 1 minute
8. Scorekeeping will be done on paper. Keep your own score. There is no need to confirm innings or defense with the opposing team.
9. Defensive shots are a priority. Please mark a "0" in the column if no defense shots were played.
10. No coaching from the sidelines. Keep your player away from your team unless a timeout has been called or you are in between racks.
11. If anyone on the team calls a timeout, it **must** be taken. If the player calls/asks for a timeout, it may be refused. If your team does not have a timeout, it is a sportsmanship violation. If it is done again in the same match, it can be determined by the tournament director a ball in hand foul/loss of game. Persistent violations may result in a loss of the overall match.
12. If a referee is called to watch a hit, the player at the table **must** stop and wait on the referee before shooting. Failure to do so will be ball in hand.
13. Sudden Death: This format is implemented 3 hours and 45 minutes into an 8-Ball match. The rack **must be struck** in the fifth individual match by the *3-hours-and-45-minutes* mark, or all individual matches will be played by sudden death.

The first rack in sudden death is worth 2 team points *regardless of skill level*.
-If that two-point rack mathematically wins the team match, the team match will be over.
If it does not win the team match, a second rack worth one team point will conclude that individual match.

NOTE: During 8-Ball Sudden Death, the individual match winner will be the player who wins the two-point rack.
